Christmas Program

December 22nd
Christmas Caroling

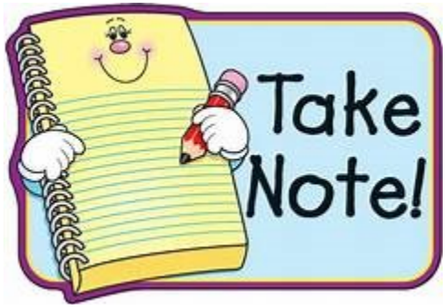
For coming to our program today.

We would like for everyone to pretend that you are a first time visitor today and fill out one of these cards. (They are in the racks on the back of the pews.) This is a good opportunity for us to make sure all of our records are correct so even if you have been going to this church since you were a baby we ask you to please complete a card.

If you are a first time visitor you can share just as much information with us as you are comfortable with. If you just want to put your name that will be fine.

Place your card in the offering plate when it comes around. Thank you!

Thank you to Melinda Meister for providing the banner on the platform today in memory of her mother, Margaret Henneman.



We have a gift for every child today. If your child is in the program they will receive their gift when they return to the dressing room to take off their costume.
There are baskets with gifts by each of our double doors for any child not in the program.

December 22nd At 5:30 pm
